

REMEMBER THE PERILOUS CONDITIONS ON LAST WINTER'S DRIVE TO WORK..?

Last winter, the UK shivered under one of the coldest snaps for the last 100 years, with Met Office data revealing that the mean temperature was just 1.5°C.

Thomas Bow City Asphalt's winter maintenance service is here to aid the safe movement on your roads and footpaths to help maintain business continuity.

Our 24 hour call-out winter maintenance service is available for:

- Retail & Business Parks
- Office Car Parks
- Private Estates
- Highways

Contact sales@thomasbow.com now to find out how our winter maintenance service can help you.
