

ENVIRONMENTAL POLICY

Thomas Bow Limited companies are leading Property Maintenance, Surfacing and Civil Engineering Contractors, able supply services across a wide area within the Midlands.

We recognise the importance of environmental protection and are committed to carrying out process activities in a legal, practicable and responsible manner, and strive to reduce any negative impacts that such activities may create.

The Company operates an Environmental Management System based upon the requirements of BS EN ISO 14001.

The Management is committed to: -

1. Develop and improve the Environmental Management System and set appropriate business objectives and targets to enhance these goals.
2. To improve continually on environmental performance.
3. Ensure legal and regulatory compliance.

The Management has a continuing commitment to: -

1. Training and environmental awareness of stakeholders.
2. Minimise environmental impacts.
3. Pollution prevention in relation to water, land and air.
4. Minimise wastage of material and/or natural energy resources.
5. Minimise the production of waste.
6. Design out, reduce, reuse and recycle principles
7. Ensuring that environmental considerations are fully integrated into all business processes.
8. Promoting the use of recyclable and renewable materials.

This Environmental Policy is communicated to personnel, sub-contractors, suppliers, customers and is available to the public.

The Company constantly monitors its environmental performance and implements improvements when appropriate.

This Policy is regularly reviewed to ensure its continuing suitability.

Thomas Bow Limited
Managing Director: Mr. A. T. Bow
