Thomas Bow City Asphalt

THE CONSTRUCTION GROUP

Since 2012 Thomas Bow City Asphalt, acting on behalf of Buckingham Group, have carried out a number of projects on some of England's most famous race circuits.

The contracts demonstrate Thomas Bow City Asphalts ability to provide a surface finish at the highest quality and have covered race circuits including Oulton Park, Snetterton, Brands Hatch, Bedford Autodrome and Cadwell Park.

Steven Fraser Surfacing Manager has led the projects covering areas of the main track, paddock and pit areas, to deliver a high quality surface that meets the demanding needs of the motorsport which is played out on it daily.

Scope of works:

- Surfacing
- Planing
