# Thomas Bow City Asphalt

THE CONSTRUCTION GROUP

This four year contract has seen Thomas Bow City Asphalt take on environmental works close to their headquarters in Nottingham to develop existing properties managed by Nottingham City Homes and also supporting the development of new housing stock.

Working closely with the residents and Nottingham City Homes, Site Manager Mick Matthews has ensured a meticulous attention to detail throughout the projects to date which have covered various sites across the city while managing the individual requirements of each property.

Through the five contracts awarded to date, Thomas Bow City Asphalt have landscaped existing properties providing new garden walls, gates and fencing. They have also supported new build properties with driveways, footpaths, and landscaping.
